

Team Building Program

InterContinental Koh Samui Resort

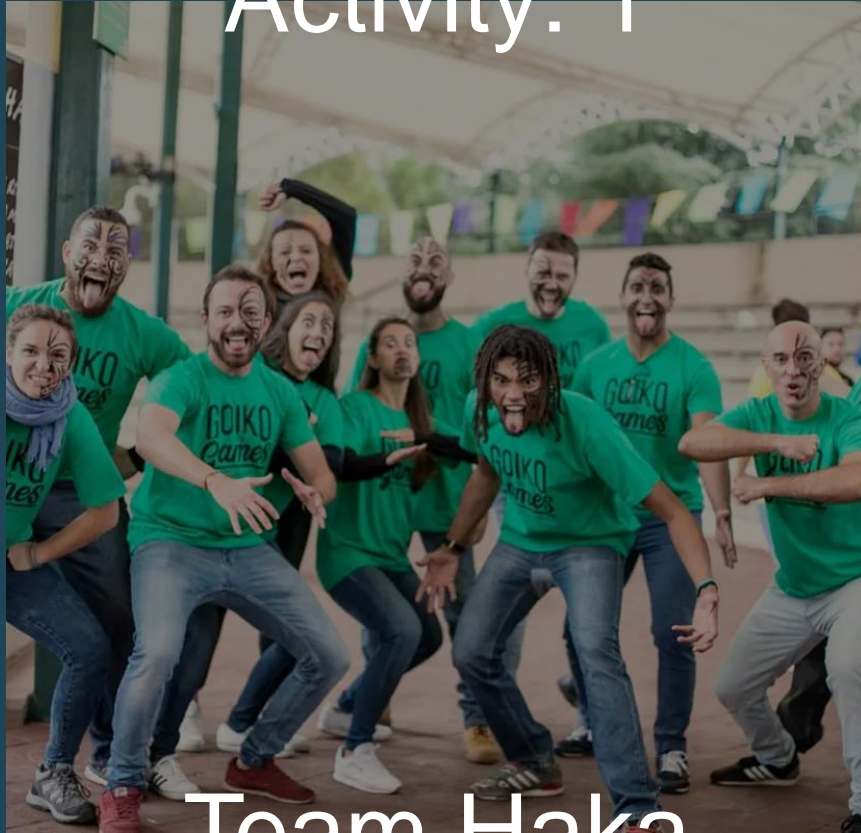

Objective:

The team-building program aims to create a positive and productive work environment that fosters **collaboration**, **innovation**, and **growth**. Through interactive activities, we will break down barriers and build bridges between team members. We will learn new ways to communicate, collaborate, and work together as a cohesive unit, and how to give and receive feedback constructively.

The program will also help us appreciate the **unique talents and strengths of each team member**, allowing us to work together as a high-performing team.

Overall, the program is an investment in our **collective success, building a positive and productive work culture** that supports our growth and development.

Activity: 1

Team Haka

In this activity, you will learn about the Maori tradition of the Haka and how it is used to unite a team.

Each team will create your Haka that represents your team's values and beliefs.

This activity will help you understand the importance of team spirit and how to work together towards a common goal.

Activity: 2

Blind Painter

In this activity, each team member will be blindfolded and given a canvas and paintbrush.

The team will guide the blindfolded member to paint a specific image.

This activity will teach them how to communicate effectively and trust their team members to achieve a common goal.

Activity: 3

007

In this activity, you will be divided into teams, and each team will have a secret agent (007).

The team members will have to work together to complete a mission and gather clues while avoiding the enemy team's secret agents.

This activity will teach you how to strategize and work under pressure while communicating effectively with your team members.

Activity: 4

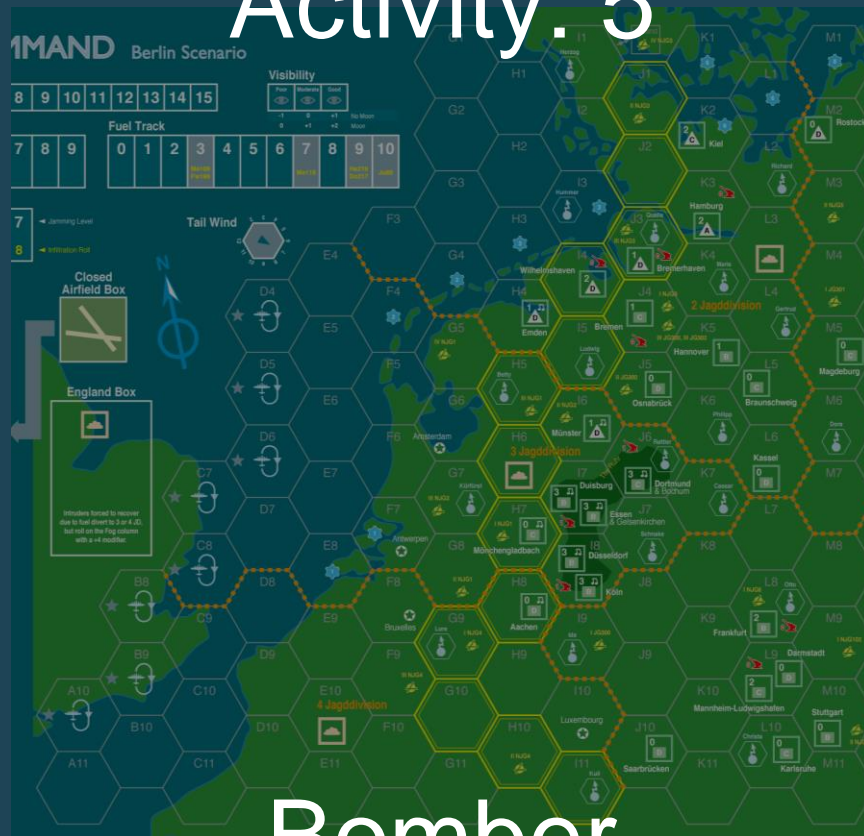

Spider Web

In this activity, you will create a spider web using ropes and have team members navigate through it without touching the rope.

This activity will teach you how to plan and execute strategies while working together to achieve a common goal.

Activity: 5

Bomber

In this activity, you will be divided into two teams, and one team will be the bomb squad, while the other team will be the bomber.

The bomber team will plant a fake bomb, and the bomb squad will have to find and diffuse the bomb using teamwork and communication skills.

Final

Lake Battleground

In this final game, you will create a battleground on a lake, and teams will have to navigate through obstacles and challenges to reach the finish line.

This activity will test your teamwork, communication, and problem-solving skills while providing a fun and interactive way to bond with your team members.

Conclusion

Through these activities, you have learned the importance of **effective communication, trust, and teamwork.**

We hope that these skills will translate into your daily work lives and help them become a **more efficient and successful team.**
