

## BEACH ON FIRE & BARBECUE JAZZ NIGHTS AT FLAMES

*The best place to combine laid-back dining with a romantic setting is at Flames down by the beach. Enjoy a blazing treat every Sunday night as an incredible live Fire Show lights up the night, featuring torches, swinging poi and a perfect background music set right on the beach. The atmosphere continues with BBQ flambé and fiery wok cooking stations.*

*An inviting campfire on the beach invites guests to linger and round off their day either by looking into the dancing flames or up at a canopy of glittering stars in the night sky with the gentle sound of the waves as live acoustic jazz and candlelit tables create the ideal ambiance.*

*THB 2,900++ per person*

*From 7:00 pm – 10:30 pm with fire show starting 8:00 pm - 8:30 pm.*
